

The purpose of this Gospel Trailer and its resources, is to provide an additional opportunity for the churches and organizations of Southeast Alabama Baptist Association to reach the lost. Priority use of these resources will be given to those events designed for evangelism. **A report will be submitted upon the return of the Gospel Trailer, showing the efforts and results of a Gospel presentation.** In order to schedule the use of the Evangelism Trailer or any of its components, at least **two people that will be using the trailer must attend a training session hosted by the Association.** This training will provide you with hands on experience in how to setup, take down, and care for the trailer and equipment. Those trained will then be eligible to reserve and be held responsible for the Evangelism trailer.

**Your church will need to provide proof of insurance and accept responsibility for any damages to the trailer or any of the equipment on loan.** You must also return the equipment and trailer in “cleaner than you got it” condition. If we all take care of it, we will be assured that it will last a long time. **If the equipment needs to be cleaned after it is returned, your church will be liable for the cost incurred for hiring someone to clean it, \$75.00.**

## Gospel Trailer supplies your church needs to purchase:

- Snow cone cups (see back page to see suggestions)
- Snow cone flavors (see back page to see suggestions)
- Popcorn and butter (may be purchased in bulk and measure each batch or purchase pre-measured, also on back page)
  - Your kettle will hold one 16 oz, two 8oz or one 12 oz pack
- Popcorn bags, boxes or use cups
- Paper towels
- Napkins
- Trash bags

## The Gospel Trailer contains:

- Air conditioner with heat
- Power Awning
- 1 popcorn machine with scoop
- 1 snow cone machine with ice scoop
- Bottles with pour spout for flavors
- Funnel to refill bottles

- Refrigerator with top freezer 28 cubic ft.
- 1 ice chest
- 48 gallon fresh water tank
- 48 gallon waste water tank
- On demand water heater
- 3 bay Stainless Steel sink
- 1 Stainless Steel sink for hand washing
- 1 trash can for inside trailer
- 1 broom with dustpan
- 1 tool box with assortment of tools
- 1 cordless drill with socket to raise and lower jack stands
- 1 white hose for fresh water fill
- 1 black hose for waste water
- 1 generator
- 1 gas can (non-ethanol fuel only)
- External lights

### Other Items available:

4 party Games  
 Portable sound system  
 Video Projector  
 Inflatable screen

It is recommended that a 3/4 ton vehicle be used for towing (f-250 or 2500 series). The SABA Expedition can be reserved to tow the trailer if needed. It is a dual axle trailer 24ft. 14' enclosed, 6' back porch and 4 ft. tongue. The rear tailgate lowers to make a ramp or it can be used with the 2 jacks to create a stage. All equipment is bolted to the stainless steel tables and the refrigerator is strapped to the floor.

Cleaning is required before returning. This included draining grey water tank and refilling fresh water.

# Here are some examples of the things you'll need for various equipment in the Trailer:
